

## Configuració del correu

Del menú de l'esquerra, triem la pestanya on aparegui dues cares, llavors fem un clic amb el botó dret del ratolí dins la pestanya triada i escollim **"New"**:

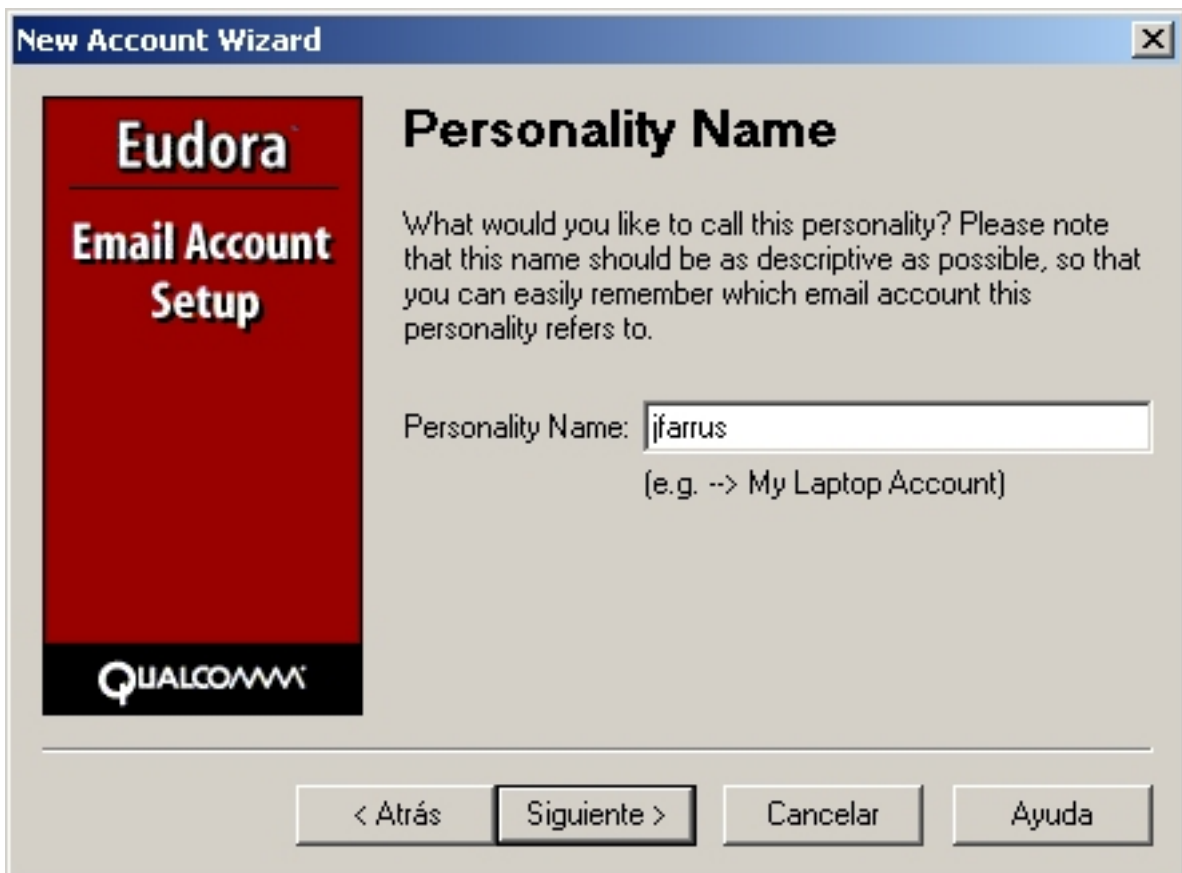

Ens apareixerà un assistent que ens guiarà en el procés de configuració del correu.

De les tres opcions que ens apareix en aquesta pantalla triem la primera, o sigui, **"Create a brand new email account"**, i premem **"Siguiete > "** per continuar:

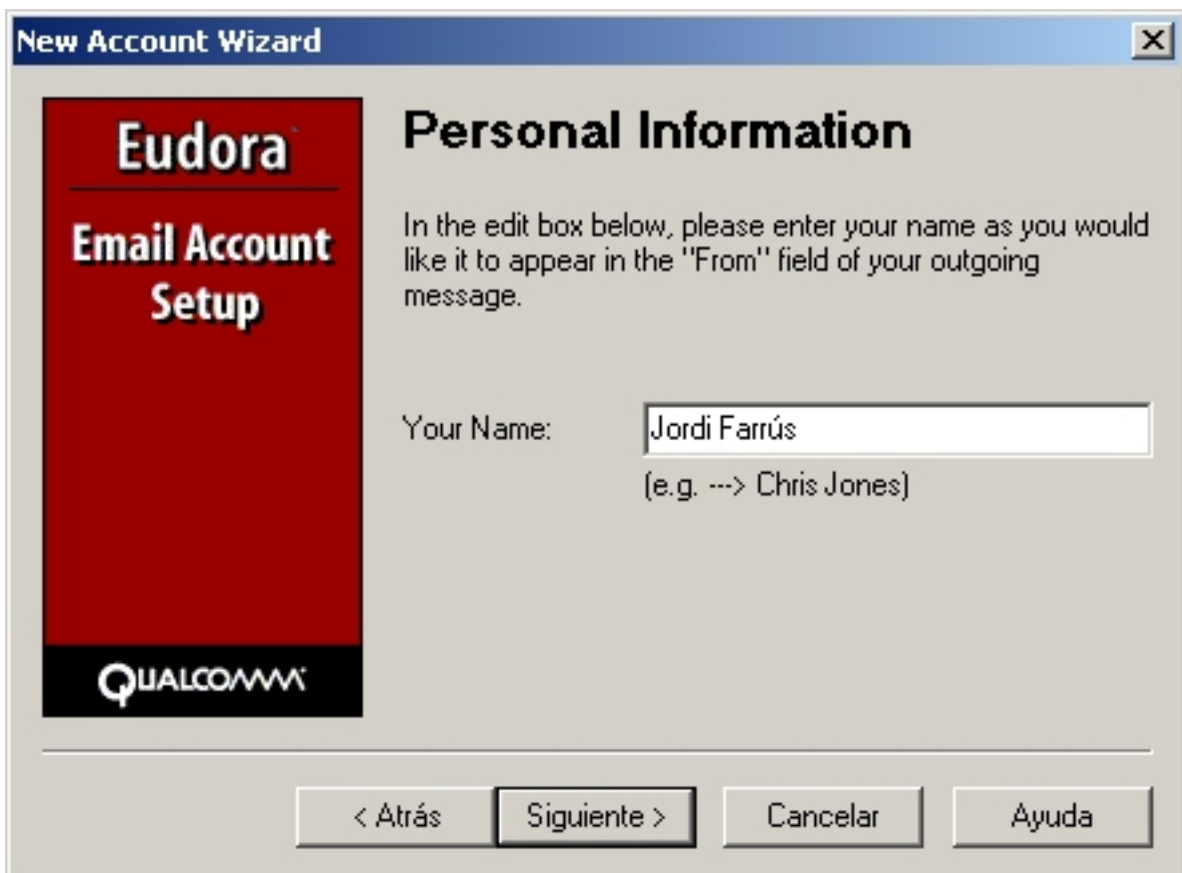

Ara posarem un nom per al nostre compte de correu, per exemple **"jfarrus"**, prem **"Siguiete > "** per a

continuar:

The screenshot shows a window titled "New Account Wizard" with a close button in the top right corner. On the left side, there is a red vertical banner with the "Eudora" logo at the top, "Email Account Setup" in the middle, and the "QUALCOMM" logo at the bottom. The main area of the window is titled "Personality Name". Below the title, there is a paragraph of text: "What would you like to call this personality? Please note that this name should be as descriptive as possible, so that you can easily remember which email account this personality refers to." Below this text is a text input field labeled "Personality Name:" containing the text "jfarrus". Underneath the input field, there is a hint: "(e.g. --> My Laptop Account)". At the bottom of the window, there are four buttons: "< Atrás", "Siguiete >", "Cancelar", and "Ayuda".

Ara afegeix el teu nom i cognoms complet, i prem "**Siguiete >**":

The screenshot shows the same "New Account Wizard" window, but now on the "Personal Information" step. The left-side banner remains the same. The main area is titled "Personal Information". Below the title, there is a paragraph of text: "In the edit box below, please enter your name as you would like it to appear in the 'From' field of your outgoing message." Below this text is a text input field labeled "Your Name:" containing the text "Jordi Farrús". Underneath the input field, there is a hint: "(e.g. --> Chris Jones)". At the bottom of the window, there are four buttons: "< Atrás", "Siguiete >", "Cancelar", and "Ayuda".

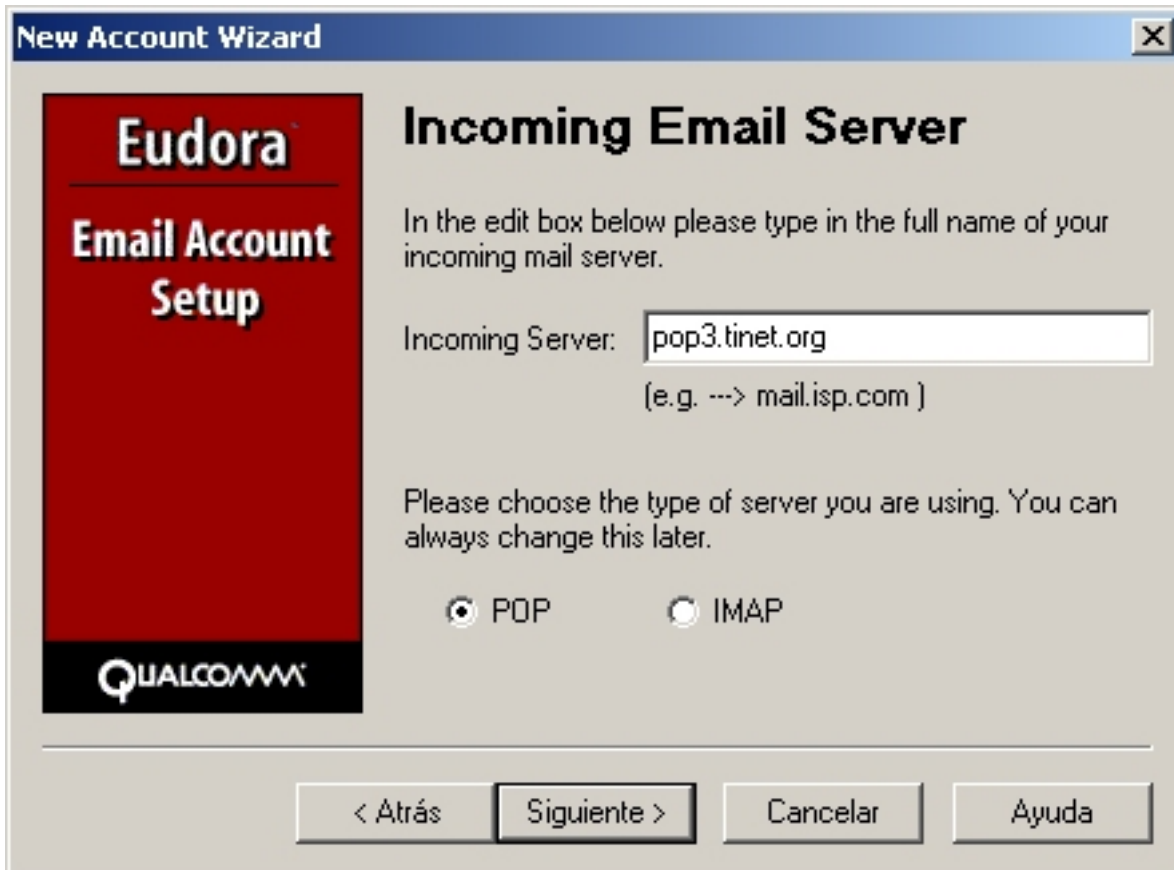

Ara afegeix la teva adreça de correu electrònic, i fes un clic a "**Siguiete >**":

The screenshot shows a window titled "New Account Wizard" with a close button in the top right corner. On the left side, there is a red vertical banner with the "Eudora" logo at the top, "Email Account Setup" in the middle, and the "QUALCOMM" logo at the bottom. The main area of the window has a title "Email Address" and a paragraph of instructions: "Please enter your email address which has been assigned to you by your Internet Service Provider. This address will be the address other people use to send email to you." Below this text is a label "Email Address:" followed by a text input field containing "jfarrus@tinet.org". Underneath the input field is a hint: "(e.g. --> cjones@isp.com)". At the bottom of the window, there are four buttons: "< Atrás", "Siguiete >", "Cancelar", and "Ayuda".

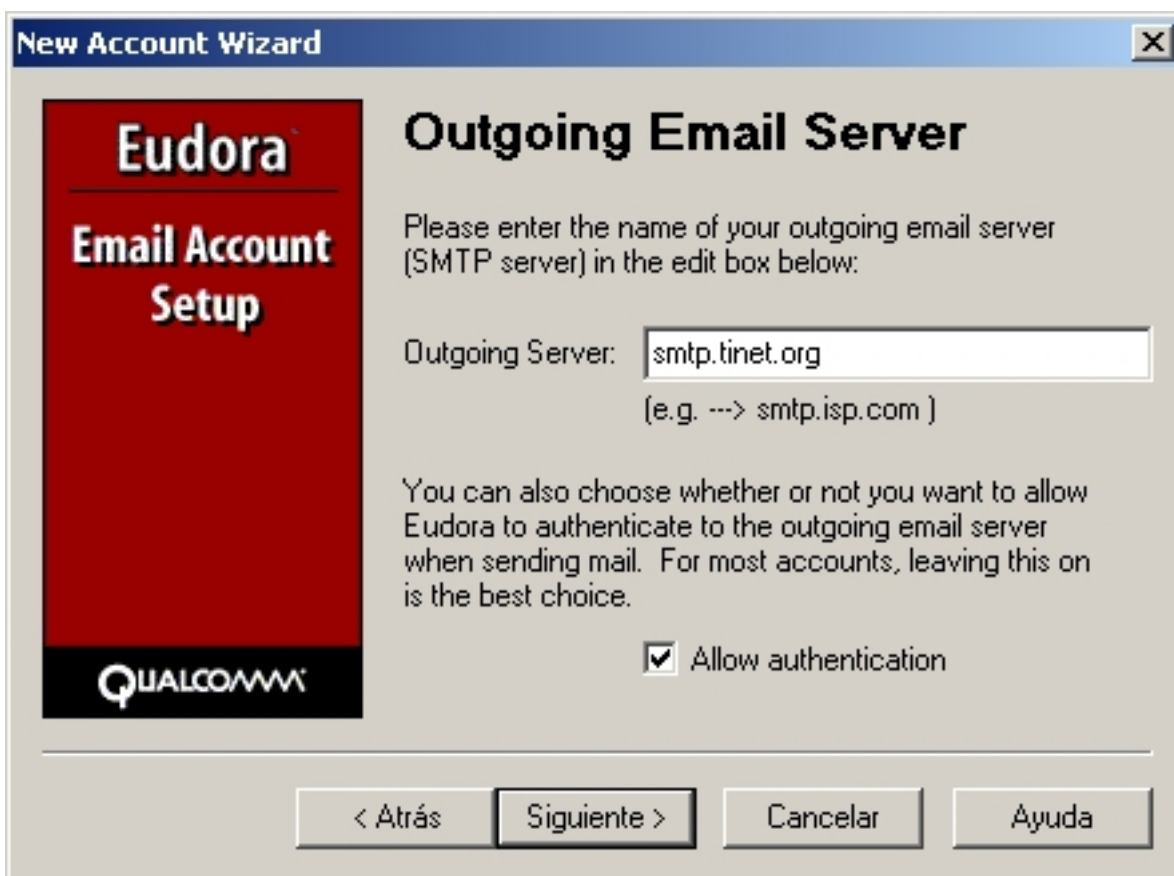

Ara introdueix el nom d'usuari (sense el @tinet.org) que vas demanar quan et vas donar d'alta a TINET, i premem "**Siguiete >**" per continuar: :

The screenshot shows the same "New Account Wizard" window, but now on the "Login Name" step. The left banner remains the same. The main area has a title "Login Name" and a paragraph of instructions: "In the edit box below, please enter the name you will use to log into this account." Below this text is a label "Login Name:" followed by a text input field containing "jfarrus". Underneath the input field is a hint: "(e.g. --> cjones)". At the bottom of the window, there are four buttons: "< Atrás", "Siguiete >", "Cancelar", and "Ayuda".

Ara configura el servidor de correu entrant (o **POP3**): **pop3.tinet.org**, i premem "**Siguiete >**" per continuar:

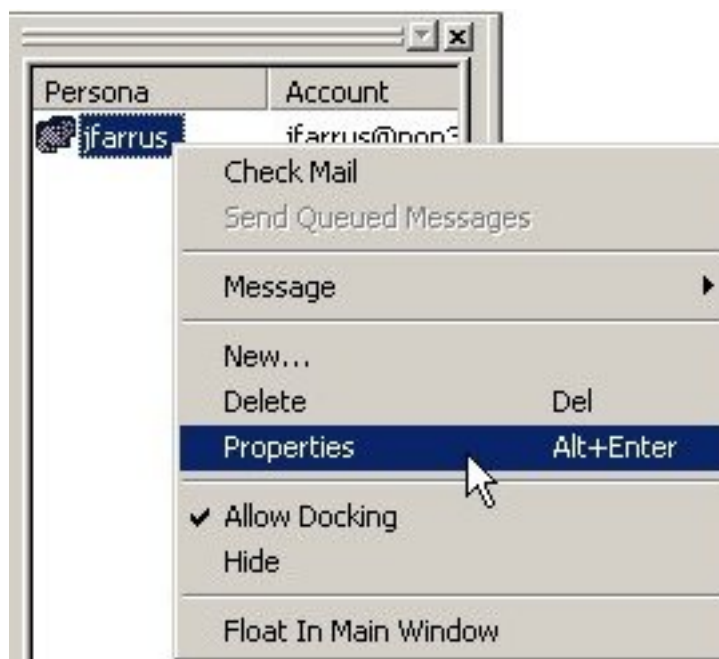

Ara configurarem el servidor de correu sortint (o **SMTP**): **smtp.tinet.org** tal com queda a la pantalla següent. Assegura't de tenir marcada l'opció de "**Allow authentication**":

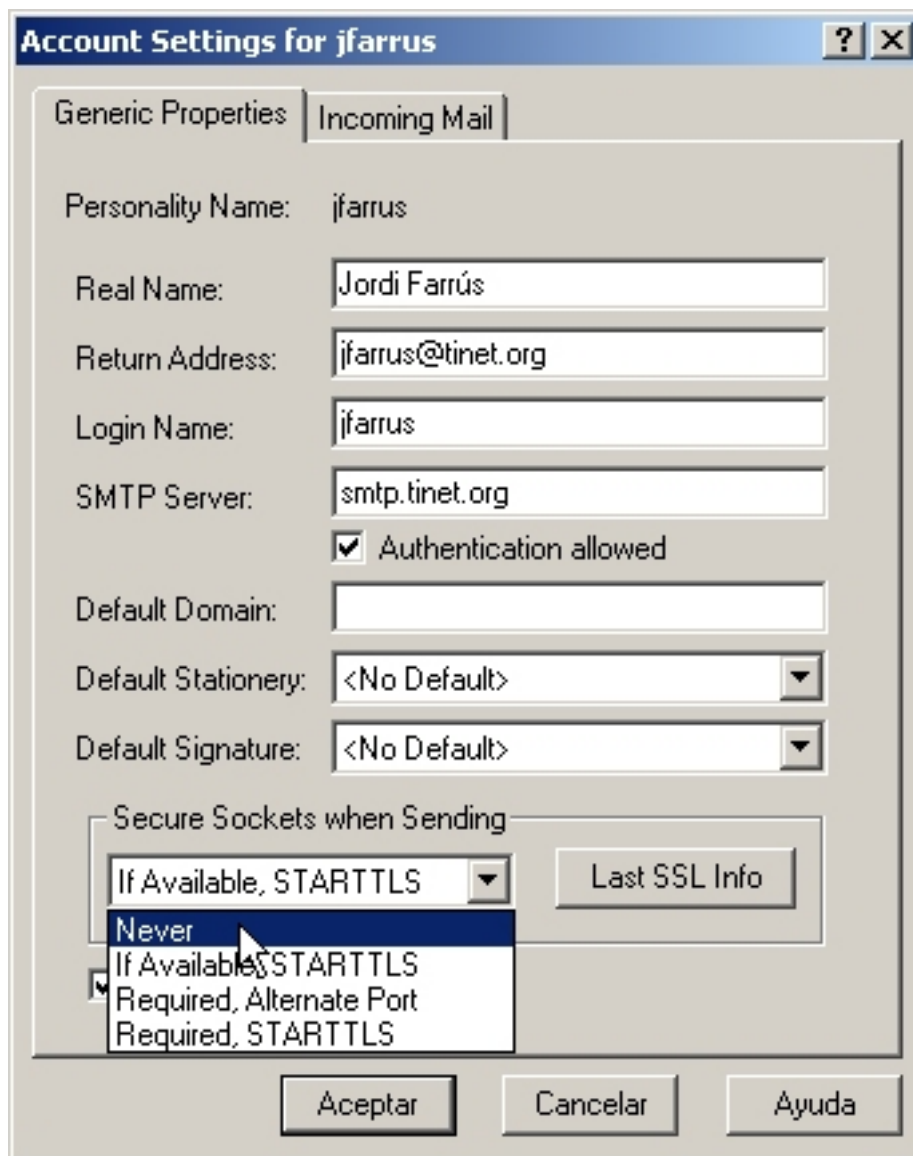

Quan hem arribat en aquest punt ja tenim gairebé configurat el correu. Prem "**Finalizar**" per sortir de l'assistent:

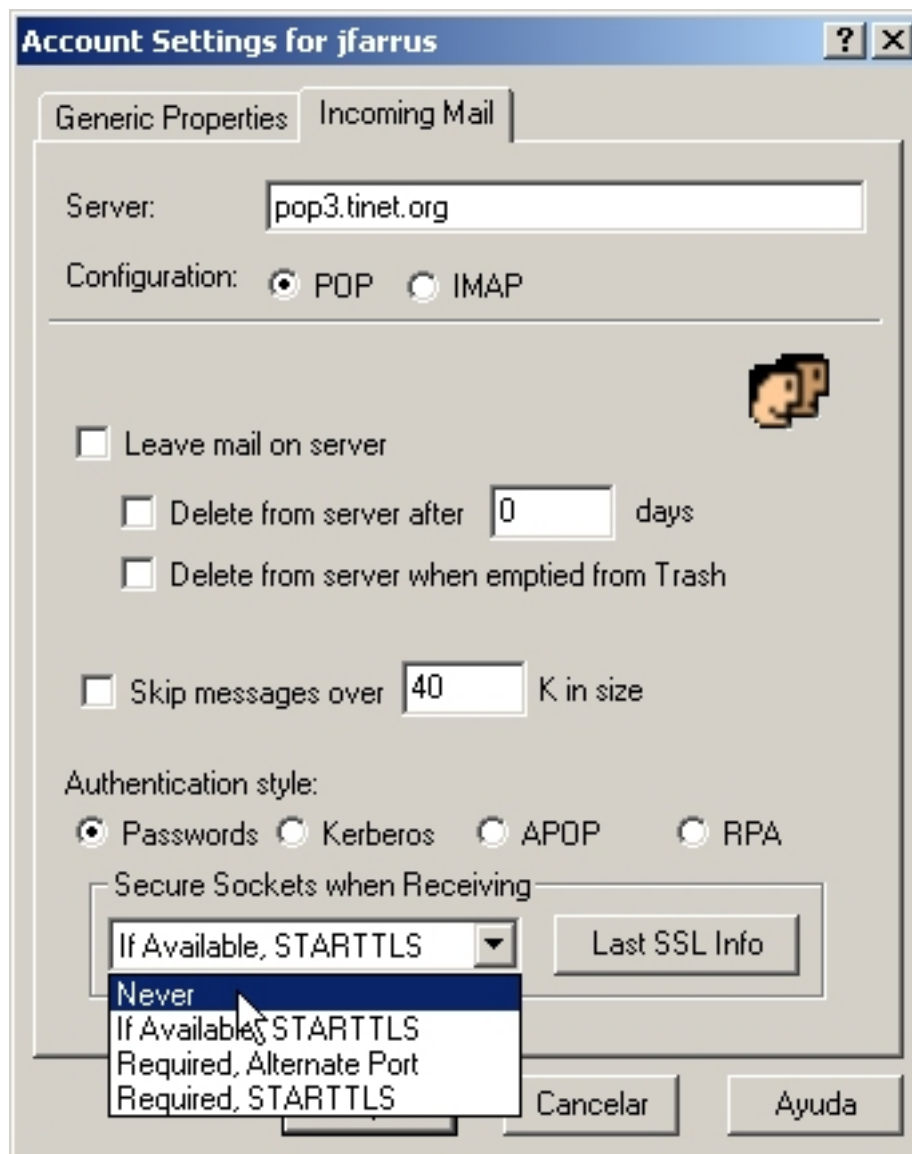

Un cop dins el programa de correu, anem a l'apartat esquerre i llavors fem un clic amb el botó dret del ratolí al damunt del compte de correu electrònic que volem configurar i triem l'opció de "**Properties**":

A la pestanya "**Generic Properties**", triem la opció "**Never**" de la llista desplegable de l'apartat "**Secure Sockets when Sending**":

Ara anem a la pestanya "**Incoming Mail**" i triem la opció de "**Never**" de la llista desplegable de l'apartat "**Secure Sockets when Receiving**":

Per sortir de la configuració, prem al botó "**Aceptar**".
